NATURE CAMP

NATURE DISCOVERY CAMP – Ages 5-9

Become a Park Pal through hands-on activities and outdoor learning. Campers will utilize their senses to discover joy and appreciation for nature!

Nature Discovery Camp at Runnymede Park is a great mix of environmental education, activities, games and a trip. Nature Discovery Camp offers children an excellent opportunity to explore nature and Runnymede Park's ecology, wildlife, geology, archaeology, history, stream play, and culture. We will explore the meadow, Sugarland Run Stream, trails, and the pond, as we learn about protecting our natural environment and teach stewardship to our campers. Camp includes T-shirt, field trip, lots of take-home nature materials, and guest speakers... Raptors, Reptiles, Butterflies, and Mammals! Camp meets at Runnymede Park. Campers should bring a lunch and a snack each day (no peanut products please).

Our weekly camp themes include: Geology, Tracks, Scat & Signs, Bones, Feathers & Furs, Beginning Birding & Field Identification, Adventure Games, Native American Life, Insects & Spiders, Trees, Archaeology, Science, Wildlife Encounters, Nature Crafts, and as much as we can squeeze, squirm, and wiggle in!

Our weekly camp trip will include one of the following: Skyline Caverns, The Archaeology Museum of Alexandria, Hidden Pond Nature Center, Hidden Oaks Nature Center, Safari Golf, The Water Mine, Leesburg Animal Park, or the Museum of the American Indian.
